

ART CLAY™ SILVER Basic Instruction Guide

Rose Ring with DeCoRé and Art Clay Silver

Beautiful patterns can be made by stamping any stamps. The ring is a simple plate design but the silver sides give a touch of class to the ring. Embed bijoux stones around the pattern on the DeCoRé putty nicely and finish easily. Great for DeCoRé beginners.

<Material>

Art Clay Silver 650 Clay Type 7g x 2pcs, Art Clay Silver 650 Paste Type (a small amount), DeCoRé Putty (Rose, Light Amethyst, Fuchsia), DeCoRé Bijoux stones (Amethyst PP24, Light Rose PP24, PP12, PP8, Violet PP12, Fuchsia PP8, Light Sapphire PP8)

Completed piece

<Step by Step Guide>

1) Roll out the clay to a strip with 1.5cm wide and 1.0mm thick, and wrap it around a wooden mandrel. And, roll out the clay to 2 strips with 2 mm wide and 1.5mm thick and wrap them on both sides. Dry, smooth the shape, fire and make a mirror finish.

2) Take DeCoRé (Rose) 0.4g of each A and B, (Light Amethyst) 1g of each A and B, (Fuchsia) 0.1g of each A and B.

3) Knead only A of Rose, Light Amethyst and Fuchsia, and B well separately. And, knead A and B well.

4) Roll it out to a long rope.

5) Wrap the rope on the silver ring, and blend the join well with a finger.

6) Put some food oil on the stamp surface, and stamp it on the putty.

7) Embed DeCoRé Bijoux stones Amethyst PP24, Light Rose PP24, PP12, PP8, Violet PP12, Fuchsia PP8, and Light Sapphire PP8 on the putty nicely.

8) Then, cure completely and finish.
